**Dear Dr. Moodie:**

**I am in receipt of the KSU Presidential Search and Screen Committee resolution about potential site visits of finalist(s).**

**We will make every effort to have any finalist(s) selected by the Board of Regents visit the KSU campus prior to any confirming vote. We will need your committee's assistance to ensure these visits are scheduled during the five working day period outlined in state law.**

**Thank you for your leadership, and for all you and the committee members do to support KSU. We wish you success in the coming weeks.**

Sincerely,

**John M. Fuchko, III  
Vice Chancellor for Organizational Effectiveness**
